

## Downloading eBooks Help Sheet

If your library offers eBook download capabilities, you may choose to download an eBook to your computer and read it offline at a later time.

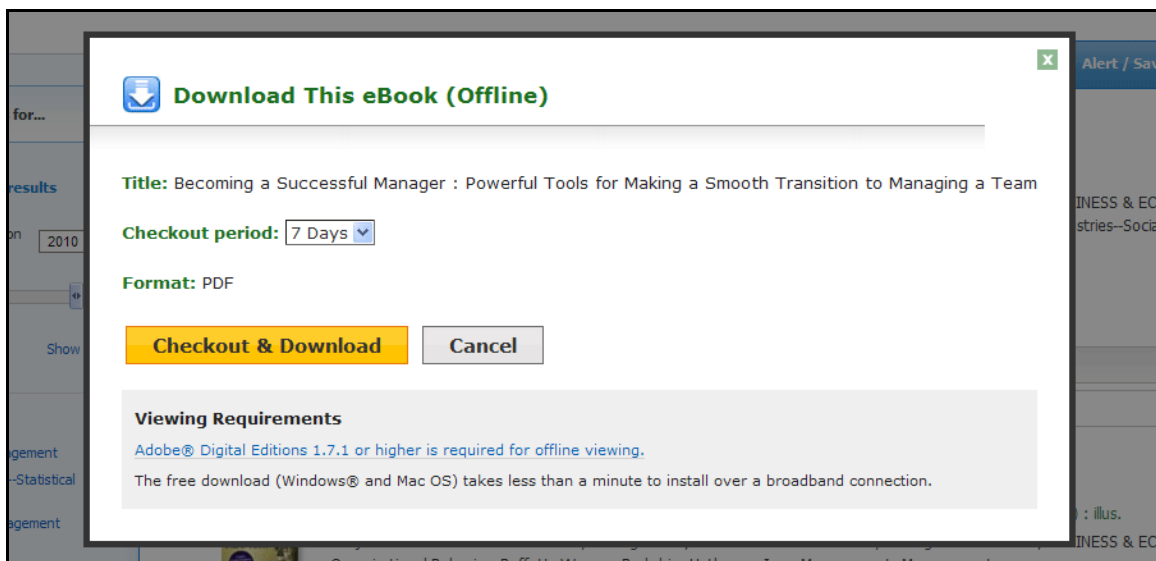

Adobe® Digital Editions 1.7.1 or higher is required for offline viewing. This free software can be downloaded from <http://www.adobe.com/products/digitaleditions>.

### To download an eBook:

1. Click the **Download (Offline)** link for the eBook you would like to download.

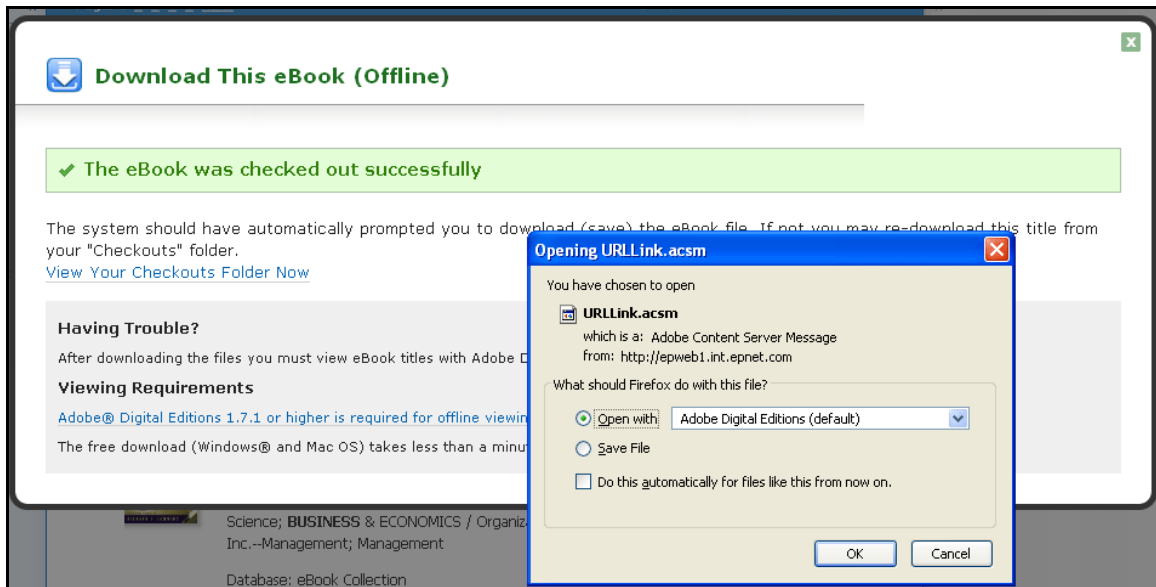

2. Select a **Checkout period** from the drop-down menu and click the **Checkout & Download** button.

3. The eBook is added to the Checkout area of the folder, accessible from the upper-right corner of the EBSCOhost interface. If you are not logged into your My EBSCOhost folder, you are prompted to do so.

4. Select **Open with** or **Save File** from the resulting dialog box.

If you select **Open with**, your eBook is opened with Adobe® Digital Editions. If you select **Save file**, the eBook is saved to your computer and can be opened with Adobe® Digital Editions at a later time.

5. When a downloaded eBook is opened, it is displayed in Adobe® Digital Editions

### Placing a Hold on an eBook

If the eBook you have chosen to download is in use by another patron, and if your library offers Holds capabilities, you have the opportunity to place a hold on the eBook to download when it becomes available. Enter your e-mail address in the field provided and click the **Place Hold** button.

The screenshot shows a dialog box with a yellow error message at the top: "Sorry, this eBook is in use." Below this is the "Place Hold" section, which includes the instruction "Please enter the e-mail that you would like to use to receive your hold notifications." A text input field contains "name@address.net". There is a checked checkbox for "Always use this e-mail address." Below that is a "Hold Queue:" section with a magnifying glass icon and the text "Currently, 0 other users are in the hold queue for this eBook." At the bottom of the dialog are two buttons: "Place Hold" (highlighted in yellow) and "Cancel". The background shows a blurred interface with navigation links like "Previous", "1", "2", "3", "4", "5", "Next", and "Relevance Sort".

The eBook is placed in the Holds area of your My EBSCOhost Folder. When the eBook is available, you are notified via the e-mail address you provided and the eBook appears in the Checkouts area of your folder.
